[Travel to DC](#)posted 15 days ago by [kaw is law](#) +147 / -0

I've tried everything...I cannot convince anyone in my family that the election was stolen. They all voted Trump but just seem defeated. I am now coming across as unhinged to them. Anyway...I will be making the 14 hour drive to DC by myself and was seeing where I could go to coordinate movement. I joined the discord a week or so back but it was shut down. Any help/links would be great.

Those who only see when shown... are unfortunate... they will continue to do pretend capitalism, until the bitter end, and everything is yanked from them. This is indeed the sad nature of a communist takeover. The people, who disagree, continue as normal to possible in life, until the government finally comes and over takes them

Don't worry about hotels shutting down to deter Trump supporters. Sleep in your car if you have to. Our founders would've done much more than that.

To do what's right is usually a lonely path. It takes guts. And it can make the difference. Stay strong.

I think those are my plans as well. I saw that there is a bus leaving St. Louis so I was gonna get information on that and maybe caravan next to it. There is a facebook page for it. Go here: <https://thedonald.win/p/11RNy0wnMi/rides-and-caravans-to-dc-on-the-/> and search "Missouri" since it does not show up if you search "St. Louis." My check in is after 4:00 pm on the 5th and I would like to get there around that time so I can plan appropriately for the next day and get some sleep. I haven't done the backwards planning yet but I will develop a better timeline once I get more information. It's hard doing this without social media. lol

lol. Yea. It seems this site is only for the people that have already been "red-pilled" I wish I could find something that gives the pills in doses. Ultimately you can show people all the facts in the world. They won't believe it until

they arrive at the conclusion themselves. It's more effective when you present the evidence and wait for the light bulb to come on.

I have had a similar problem with friends I have in CA. The ones who voted for Trump are dooming. But no one wants to come see the life and vibrancy in DC along our legions. So make new Frens

My trip is 30 hours 🤔 I'm driving straight through and then I have to figure out what I'm going to do once I get their because I'm probably going to be short a few bucks in gas money.

I got these golf clubs I'm trying to sell to help pay for gas so I don't get stranded. If anyone buys them. If not I'm going to have to figure out another plan because I'm going to have enough to get their but not come back lmao.

I'm usually not a trip person but as usual, I'm always stretching the dough pretty thin and then planning all these trips 🤔 I'm going to get to DC but getting back is going to be a different story if I can't get rid of these clubs man!

Does your hand hurt? With all that patting yourself on the back. I'll be there. I'm literally "trying harder" which is why I'm posting here after getting kicked off discord.

Not getting in a pissing match. I was asking for alternative links to coordination. You offered no advice. Trust me, I've done more for this country than you and I will continue to do so.
